District 5 Legislators Applaud ADOT for Listening to Community Feedback and Scrapping Plans for Roundabout

STATE CAPITOL, PHOENIX – Representatives Leo Biasiucci (R-5) and Gina Cobb (R-5), along with Senator Sonny Borrelli (R-5), today applauded the Arizona Department of Transportation (ADOT) for listening to community feedback and scrapping plans for a roundabout at Aztec Road and the Mohave Valley Highway (State Route 95).

Rather than moving forward with a roundabout, ADOT intends to place a turn signal at the intersection.

“We are pleased to announce that ADOT will not be moving ahead with a planned roundabout at Aztec Road and the Mohave Valley Highway,” said Representative Biasiucci. **“I applaud ADOT for listening to our concerns and honoring the wishes of the community we represent.”**

“ADOT deserves credit for respecting the input of our community,” said Representative Cobb. **“ADOT’s improvements will make the intersection safer without disrupting traffic.”**

“We support ADOT’s plan to place a turn signal at the intersection and are confident that this upgrade will satisfy the safety concerns with that intersection,” said Senator Borrelli.
